

# There's No *Closed* Season on Fishermen with the Right Bait!

You may have to wait for the right season for certain fish. But it's always open season on Fishermen when you use PROTO's Fisherman's Plier as bait.

You can fill your cash register creel all year long when you display this all-purpose 6" needle-nose plier designed especially for Fishermen.

Retail price of No. 221 Plier **\$3.95**

Retail price of No. 221C (6 No. 221 Pliers in Merchandiser) **\$23.65**

## Check the Many Uses!

Long slim jaws are ideal for extracting stubborn hooks, attaching sinkers, fastening either wire or nylon leaders, making flies, skinning fish.

- Side cutter cleanly snips off steel leaders.
- Plier is handy for repairing reels, engines, etc.

## Note These Features!

Heavy chrome plating prevents rust from moist air, wet hands and even salt water.

A fish motif knurl on the handle adds a decorative touch and provides a good grip in wet, slippery hands.

No. 221A consists of 221 Plier with gold-embossed, top-grade saddle leather sheath. The sheath slips over a belt for carrying where it is always on hand when needed. Safety strap with clasp prevents plier's loss.

Each Plier and Sheath Set packaged in attractive red and white gift box.
